DUFOUR YACHTS

50 YEARS OF YACHTING INNOVATION

1964

MICHEL DUFOUR

Engineer and sailor Michel Dufour sets up his own shipyard where he was born, in La Rochelle.

1965

THE SYLPHE

The Sylphe, first yacht designed and built by Michel Dufour, is produced up to 500 models.

1967

THE ARPÈGE

The mythic Arpège, launched in 1967, reaches more than 1500 units. A record in the sailboats industry.

1988

DUFOUR PRESTIGE

Dufour Prestige are exclusive yachts, with luxury and modern interiors.

1994

DUFOUR CLASSIC

10 yachts of legend, from 30 to 56 feet. Dufour Classics are precursors in the sailing yachts industry.

2003

DUFOUR PERFORMANCE

Start of the collaboration with Felci Yachts. The Dufour 40 is elected Yacht of the Year 2003.

About Dufour Yachts

Dufour Yachts is one of the largest sailboat builders worldwide and offers 11 models of cruising yachts from 24 to 56 feet through a global network of more than 80 official dealers.

Designed in partnership with Italian naval architect Umberto Felci, each model in the range combines elegant cruising comforts with exceptional sailing performance and unmatched build quality.

1974

DUFOUR 24

Sold to over 700 units, the Dufour 24 is one of Dufour's best-sellers.

1979

DUFOUR 3800

Designed by German Frers and solidely built, the Dufour 3800 is an exceptional marine yacht.

1986

DUFOUR 42 LACOSTE

Produced in limited edition to 12 units, the Dufour 42 Lacoste has still great class.

2010

DUFOUR 405 GRAND LARGE

The Dufour 405 is elected European Yacht of the Year 2010.

2013

NEW GRAND LARGE RANGE

The Grand Large range extends with 4 new models : launch of D380, D410, D450 and D500.

2016

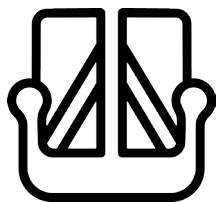

8 GRAND LARGE IN 36 MONTHS

Dufour renews and extends the Grand Large range with the D310, D560, D382, D350, D460, D412, D512 and Drakkar 24.

Independently owned and operated by the management team, Dufour focuses exclusively on producing cruising monohull sailboats and has recently pursued an aggressive pace of product development launching 7 new models within the past 2 years.

DRAKKAR 24

SAILING BROUGHT TO ALL

FUNNY SAILING / EASY RACING

Dufour Yachts is proud to introduce the first day boat in the yard history, the **Drakkar 24**.

Designed by **Umberto Felci**, the Drakkar 24 is **7 meter long** and was developed to be **performant** as well as **easy to sail** with a fast, well balanced and **stable hull**.

Characterized by its **open cockpit** and its **long seats**, the Drakkar 24 can welcome a crew up to **8 people**, making it perfectly adapted for **sailing school activities**.

The Drakkar 24 also intends to reach **sport sailing** devotees, with its **powerful sail plan** and its **retractable bowsprit** for spinnaker or gennaker.

In addition, the Drakkar is equipped with a **shallow draft keel** (0.2m to 1.5m) and is **easily transportable** on a trailer.

Attractive, performant and easy to sail... the Drakkar 24 provides a **complete and easy solution** to practice all kind of sailing activities, with **limited costs**.

A MAJOR PARTNER TO SUPPORT THE DRAKKAR

FFV STATEMENT

Launched in 1946, the **French Sailing Association (FFV)** is among the most active sailing association in the world.

After trying the boat in November 2015, the FFV decided to accompany the Drakkar project and to support its development to French sailing clubs and schools.

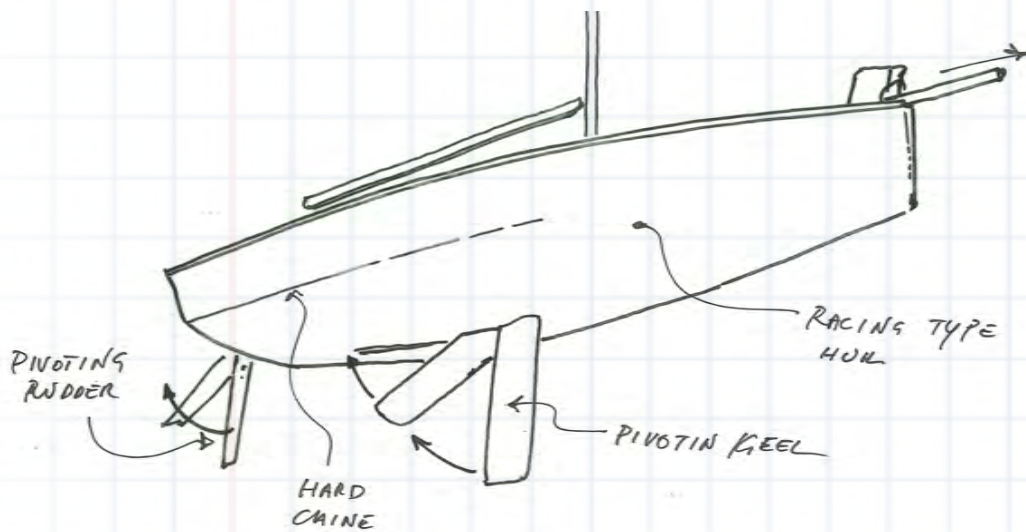

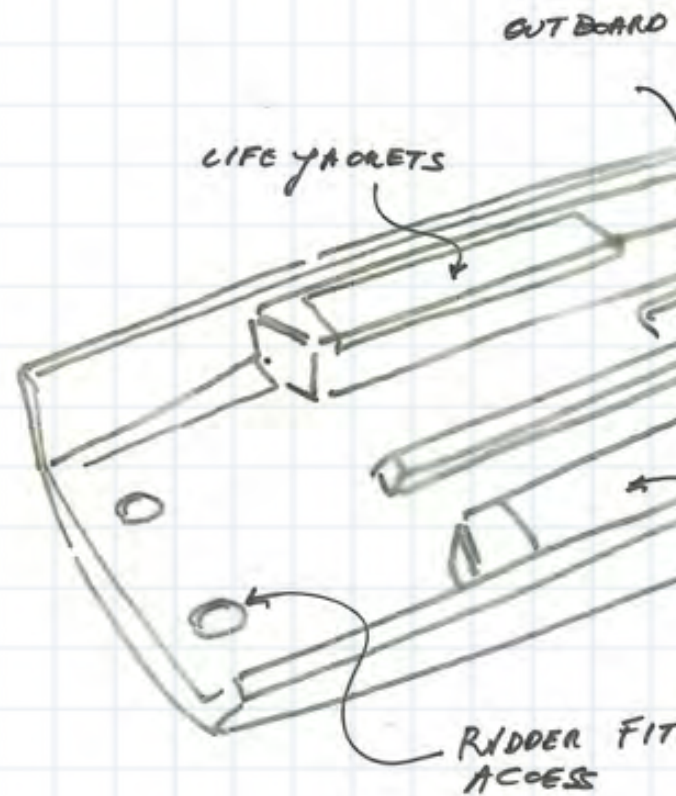

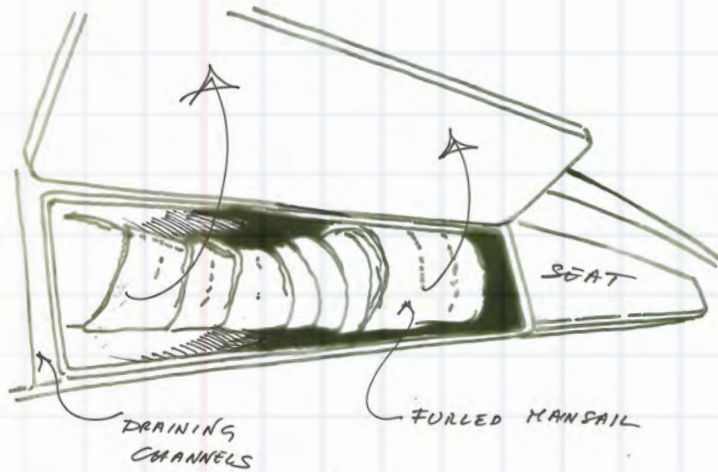

Jean-Pierre Champion, Chairman of FFV statement :

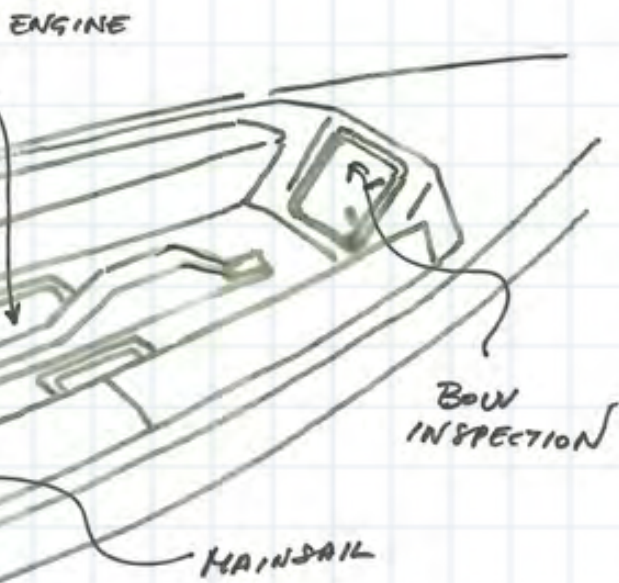

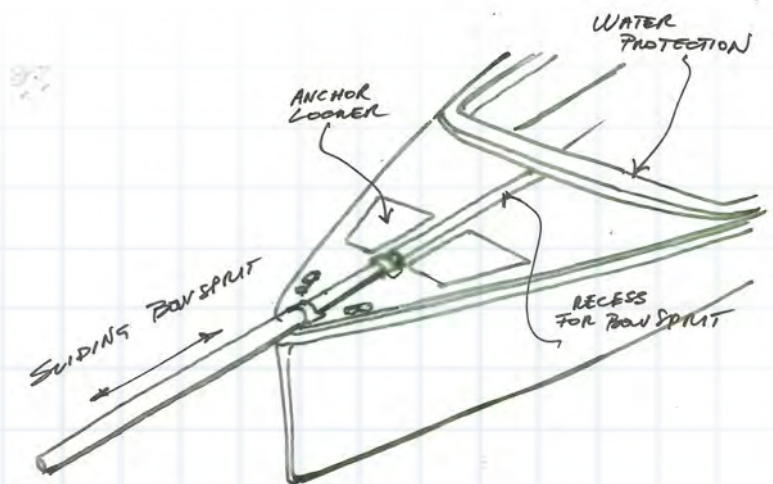

- **Easy learning for all**, also for younger, simple and efficient - 3 available sails easy to set-up and to use
- **Easy for day sailing** and ride, due to its **draft-keel**.
- Perfectly adapted to **Club regatta**, Collective Fleet or simply **Inter-Series**
- **Easy to practice** with full **crew of 6 to 8 people**, as well as in couple. Ideal for sharing the sailing passion, with **friends** or with **family** and **children**.
